

Form with multiple sections for vehicle registration and tax reporting. Includes fields for vehicle details, owner information, and tax calculations. The form is divided into several horizontal and vertical sections, each with specific labels and input fields. The top section contains the title and basic information. The middle section contains detailed vehicle specifications and owner details. The bottom section contains tax calculations and a declaration. The form is filled out with handwritten and printed information, including dates, names, and numerical values. The bottom right corner features a large declaration statement and a stamp.
